

Dear [Business Name],

We represent the La Broquerie Habs Junior B Hockey Team, a new and promising team in La Broquerie. As we gear up for our first season in 2024-25, we seek support from local businesses like yours.

The La Broquerie Habs symbolize community pride and a 75-year passion for hockey. Your sponsorship will align your business with our team, offering prominent exposure through our marketing platforms, including social media, our website, game-day programs, and arena signage. You'll also connect with our dedicated fan base of local residents and hockey enthusiasts.

Your sponsorship will cover essential expenses such as equipment, ice time, travel, and coaching staff. It will also help us keep hockey accessible to all aspiring players and maintain affordable ticket prices for fans.

We offer a range of sponsorship packages to meet your marketing objectives and budget. Whether you aim to increase brand visibility, demonstrate corporate social responsibility, or support grassroots sports, we have opportunities that align with your goals.

Join us in writing a new chapter in our community's hockey history and making a lasting impact. If you're interested in our sponsorship opportunities or wish to discuss a customized package, please contact us at 204-479-4502 or info@habsjrb.ca. We look forward to exploring a mutually beneficial partnership.

Thank you for considering becoming a valued sponsor of the La Broquerie Habs Junior B Hockey Team.

Warm regards,

Board of Directors
